

## Electric Operations Committees Spring Meetings Event

**Monday, April 24 –Wednesday, April 26, 2023**

**Doubletree by Hilton Pittsburgh Green Tree, Pittsburgh, PA**

**The place to be for Electric utility front line supervisors, managers, engineers, decision makers and others with an interest in industry issues:**

***Be there when the EAP's Electric Operations Committees' Spring Meetings Event convenes.***

- **The members of the Electric Transmission & Distribution Committee and Electrical Equipment & Protection Committee are working to provide speakers and presentations of interest to the industry during the Tuesday, April 25th concurrent educational sessions**
- **Among planned seminar topics:** *Electrification-Electric Vehicles-Large EV Integrations; Substation Asset Health/Condition Based Maintenance; PJM Presentation on M3 Process and FERC 1000; Impact of Recent Changes in Smart Grid/Metering Technologies on Reliability; Duquesne University Academic Presentation; New Transmission Relaying Principles/Technologies; Dynamic Line Rating; Doble Transformer Testing (case studies presentation); Graphic Design Tool; Ground Grid Condition Assessment*
- **A popular aspect with our attendees, the Committees are planning on incorporating sessions relevant to professional practice which would qualify for the PA Professional Engineers continuing education credits requirements**
- **Over past four most recent in-person events, seminar registrations have averaged 208 attendees**
- **Participants can take advantage of valuable networking at the events activities– during breaks, lunch and a reception in the exhibit hall**
- **The Tuesday vendor expo will showcase the latest technology, and state-of-the-art products/services**
- **Also included are vendor presentations on new products and trends**
- **Closed session best practice meetings are an important feature – Benchmarking Session/Grid Reliability Roundtable, Trouble Reports session and a Design and Third-party Attachments Benchmarking session for committee members and utility company representatives will take place on Monday/Wednesday**

**Overnight room reservations may be made by contacting the Doubletree by Hilton Pittsburgh Green Tree Reservations Department at 1-800-222-TREE(8733).**

- ***For the Reservations Department: specify that you are with Energy Association of PA Conference when requesting a room to receive the discounted rate of \$129.00 plus tax.***
- ***The reserved block of rooms will be released on March 31<sup>st</sup>, please make your reservation by Friday, March 31, 2023.***
- ***Doubletree by Hilton Pittsburgh Green Tree, 500 Mansfield Avenue, Pittsburgh, PA 15205***
