

Mid-Atlantic Gas Transmission & Distribution Seminar & Expo

Penn Harris Hotel - Trademark Collection by Wyndham

Camp Hill, PA

MARK YOUR 2023 CALENDAR!

Thursday, June 1 – Friday, June 2

The place to be for Natural Gas front line supervisors, managers, engineers and other decision makers:

Be there when the 55th annual Mid-Atlantic Gas Transmission & Distribution Seminar and Vendor Exposition convenes at the Penn Harris Hotel.

- The operations seminar is planned to provide speakers and presentations of interest to the industry.
- Over the past three most recent in-person events, registrations have averaged 220 attendees to the educational sessions portion of these networking opportunities.
- **Past seminars have included topics such as:** Implementation of Pipeline Safety Management Systems, Promoting Safety in the Field; Industry Technology Advances/Initiatives; Emergency Exercises and Procedures; Renewable Natural Gas-Development of Process Requirements and Gas Quality Standards; Cross Bores and Call Before You Clear; MAOP and Verification Process; GIS – Facilities Records Enhancement; Damage Prevention; Static Electricity Mitigation; NGVs – How Do You Build Infrastructure?; On The Job Training; Safety Best Practices; Marcellus Shale Update; Stray Gas – How You Identify and Who You Notify; DriveCam Programs and Lessons Learned; Challenges of Municipal Restoration Ordinances Related to Restoration / Permitting / Inspection Fees; Overcoming Odor Fade Resulting from Pipeline Integrity Activities; Natural Gas Service Expansion Initiatives; Performance Management of Cast Iron Mains Replacement; Break From The Past: Getting Results for “Unpiggable Gas Pipelines”; DOT Pipeline Safety Rules Update; Workforce Optimization; Employee On-Boarding; Critical Skills for Safety Leader Success
- Thursday a.m. closed session **breakout sessions** among EAP members/registered utility company guests will be convened for sharing best practices, experiences and compliance strategies
- The vendor expo will showcase **the latest technology, state-of-the-art products and services, trends and best practices.** Exhibitors: consider marketing your company’s products/services to utility company operations representatives
- **Valuable networking at conference activities** – lunch, breaks and reception in the exhibit hall
- Incorporating sessions relevant to professional practice which would qualify for the PA **professional engineers continuing education credits** requirements
- **Door prizes and a GRAND PRIZE DRAWING on June 2nd**
