

## Electric Operations Committees Spring Meetings Event

**Monday, April 8 –Wednesday, April 10, 2024**

**Blair County Convention Center, Altoona, PA**

**The place to be for Electric utility front line supervisors, managers, engineers, decision makers and others with an interest in industry issues:**

***Be there when the EAP's Electric Operations Committees' Spring Meetings Event convenes.***

- **The members of the Electric Transmission & Distribution Committee and Electrical Equipment & Protection Committee are working to provide speakers and presentations of interest to the industry during the Tuesday, April 9th concurrent educational sessions**
- **Among planned educational session topics:** *Capacitor Bank Design and Maintenance Programs (panel presentation); Talents and Skillsets for Utilities in the Future; FERC 2222 – PJM presentation; Human Performance Tools (panel presentation); Planning Tool for Real Time; View of Electrification in the State – Infrastructure; 3VO – Zero Sequence Protection; Graduate Level Project from a University; Tripping Event Analysis Process (panel presentation); 345kV Shunt Reactor Failure -Case Study*
- **A popular aspect with our attendees, the Committees are planning on incorporating sessions relevant to professional practice which would qualify for the PA Professional Engineers continuing education credits requirements**
- **Over the past five most recent in-person events, educational session registrations have averaged 198 attendees**
- **Participants can take advantage of valuable networking at the events activities– during lunch and a reception in the exhibit hall**
- **The Tuesday vendor expo will showcase the latest technology, and state-of-the-art products/services**
- **Also included are April 9<sup>th</sup> vendor presentations on new products and trends**
- **Closed session best practice meetings are an important feature** –Benchmarking Session/Grid Reliability Roundtable, Trouble Reports session and a Design and Third-party Attachments Benchmarking session for committee members and utility company representatives
- **Blair County Convention Center, One Convention Center Drive, Altoona, PA 16602**  
- located between Pittsburgh (93 miles) and Harrisburg (122 miles)
